Affirmation of Defendant

I have been made aware of my rights to a Speedy Trial pursuant to K.S.A. 22-3402. I have been informed that I have a right to be present in Court to object to any continuance requested by my counsel. I hereby agree to the continuance of my Jury Trial to the dates stated abov,e and waive my right to object to this continuance in open Court. I understand that any counsel will be appearing in Court on my behalf, that the speedy trial statute time will be tolled during the period of this continuance, i.e., the continuance will be charged to the defendant/defense and will not count against the State or Court, under the Kansas Speedy Trial Statute. I believe it is in my best interest to waive such right to be present and/or object to the requested continuance.
