Internal candidates will be given first consideration.

Job Duties: This is technical court clerical and supervisory work in the office of a Clerk of the District Court. Work involves responsibility for supervision and participation in a wide variety of technical operations requiring specialized clerical knowledge. Typical assignments include performing as the supervisor in charge of one or more major areas of court process or of a technical processing unit within a major area of one of the largest courts, with supervision exercised over a small to moderate number of clerical subordinates. Work is performed under the general supervision of a higher-level court clerk or a Clerk of the District Court and is reviewed through conference reports and on the basis of results obtained.

Required Education and Experience: Graduation from High School and three years of clerical experience, including at least one year of court clerical or other legal experience. Course work at an accredited two- or four-year college or university may be substituted on a year-for-year basis for up to two years of the required experience, except that at least one year of court clerical or comparable experience is required in addition to any college course work substituted.

Applications will be accepted until: Open until filled
