Cameras in Court

Cameras in the Courtroom Procedures

The following guidelines are intended to clarify the process for obtaining permission for camera and/or audio coverage of court proceedings in Sedgwick County. Kansas Supreme Court Rule 1001 governs the use of cameras and recording devices in courtrooms in Kansas.

General Guidelines

- All requests for camera and/or audio coverage of court proceedings shall be directed to the media coordinator. Requests (with the exception of requests to cover 1st appearances) must be in writing. Requests must include the defendant's full name, and the case number if available. E-mail requests are preferred. The media coordinator will maintain a master list of all coverage requests submitted by the media.
- Media outlets are responsible for verifying permission for camera and/or audio coverage of a particular case at each stage of the proceeding.
- Media outlets are cautioned that approval of a request for cameras in a courtroom is discretionary and conditional, and may be withdrawn at any time.
- Photographers/Reporters must check in with the court to receive instructions on where to set up equipment and to receive any special instructions, prior to the beginning of court.
- Requests for photography of docket calls are case and defendant specific. Photography of defendants or participants in other cases is not permitted.
- Requests for coverage are confidential, and are not shared with other media outlets.
- In the event that multiple requests for camera and/or audio coverage of a trial are received, the first outlet requesting coverage will be designated as pool camera for the first day of the proceeding. Media outlets are responsible for making their own pool arrangements after the first day of the trial.
- Only one television camera is allowed in the courtroom. Duplication and distribution of video must be accomplished outside the courtroom.
- Media outlets have agreed that they are not entitled to pool images, audio or video unless they have staffed the proceeding for the day in question.

First Appearances

Requests for camera and/or audio coverage of first appearances should be directed to the media coordinator as early in the day as possible. Requests will be forwarded immediately to the court. Approval of requests may be assumed, unless otherwise notified by the court.

Preliminary Hearing Docket/Preliminary Hearings/ Pretrial Motions and Hearings

Pursuant to Rule 1001, written request for camera and/or audio coverage of criminal matters should be forwarded to the media coordinator as soon as possible following first appearances. The media coordinator will maintain a master list of all requests, and will forward copies of written requests for camera and/or audio coverage to the Criminal Court clerk for insertion into the case file, along with a copy to the Criminal Assignment court. Approval of requests to cover the preliminary hearing docket call may be assumed, unless otherwise notified by the court, so long as a proper written request is on file with the court.

The Criminal Assignment Court will notify the court to which a case is assigned for hearing of a properly filed media request for camera and/or audio coverage as soon as possible. It is the responsibility of the requesting media to ascertain to what court the case is assigned, and to follow up with that court regarding permission for cameras and/or audio coverage.

Jury Trials

Rule 1001 requires that a request for camera and/or audio coverage be filed no less than one week prior to the proceeding.. It is the responsibility of the requesting media to ascertain to what court the case is assigned, and to follow up with the Media Coordinator or directly with the court regarding permission for cameras and/or audio coverage.

In cases where permission to cover a trial is denied, the court will notify the media coordinator as soon as possible.

Media outlets are responsible for maintaining their own court calendar, and for confirming permission for camera and/or audio coverage with the trial judge in advance of the proceeding.

Sentencing and Post Trial Hearings or Motions

Assuming that permission for camera and/or audio coverage was properly requested and granted, and that the case is still assigned to the trial judge, media outlets wishing to cover post trial motions and sentencing should simply communicate their intention to the trial judge in advance.

If the case has been reassigned, the media outlet should verify that they still have permission for camera and/or audio coverage with the new judge as soon as the hearing is scheduled.

Civil Court Procedures

Request for camera and/or audio coverage of all civil court proceedings should be directed to the media coordinator as soon as possible. The media coordinator will forward requests to the Civil Assignment court for review. The court will notify the media coordinator of the disposition of cases scheduled for trial for which a camera/audio request has been received.

Media outlets are responsible for maintaining their own court calendar, and for confirming permission for camera and/or audio coverage with the Media Coordinator or the trial judge in advance of the proceeding.

Civil

Guidelines of Professionalism in Civil Litigation

The Guidelines that follow emphasize the role of professional standards in civil litigation. They were developed by the Civil Practice Committee of the Wichita Bar Association and endorsed by the Judges of the 18th Judicial District. The Guidelines suggest behaviors which lawyers should strive for, and are not intended as enforceable standards. Lawyers must consult Kansas Supreme Court Rules 161, 225 and 226 for statements of required professional conduct.

As a professional, a lawyer:

1. Recognizes the importance of timely and cost effective disposition of litigation.
2. Acknowledges that communication between lawyers is essential to timely and cost effective disposition of litigation.
3. Confers with other lawyers, prior to the initial discovery conference, to identify required discovery and develop a schedule for depositions and the exchange of expert reports.
4. Proceeds with paper discovery in a timely fashion, e.g., upon filing of a petition or answer.
5. Schedules depositions in a timely manner.
6. Obtains expert witness reports that include the basis for the expert's opinion.
7. Conducts all depositions in a manner that fosters the respect of parties and witnesses for the legal system and the lawyers.
8. Contacts the assigned judge in an effort to resolve disputes, before suspending a deposition pursuant to K.S.A. 1987 Supp. 60-230(d).
9. Evaluates each case and discusses settlement with the opposing lawyer so that meaningful discussions about settlement can occur between court and the lawyers at pre-trial.
10. Does not engage in ex-parte communications (oral or written) with the court concerning the merits of a case, except as provided by statute.
11. Recognizes the responsibility, as an officer of the court, to treat the court, other lawyers, jurors, parties and witnesses with respect.
12. Shows respect for the legal system through appearance, manner and conduct at all times.
13. Refrains from comments, which demean the judge, jurors, parties, witnesses, other lawyers, or the judicial system.
14. Expedites the resolution of litigation through research, articulation of claims, and clarification of issues.
15. Is always mindful of the responsibility to foster respect for the role of the lawyer.

Eighteenth Judicial District Deposition Guidelines

1. **Cooperation.**

Counsel are expected to cooperate with, and be courteous to, each other and deponents.

2. **Agreements.**

Unless contrary to or inconsistent with the Kansas statutes, the rules of this Court or an order of the Court, the parties (and, when appropriate, a non-party witness) may agree in writing to alter, amend, or modify any practice relating to the noticing or taking of a deposition. Any interparty agreement extending the discovery deadline shall not operate to delay trial or any hearing or pretrial conference.

3. **Scheduling.**

Absent extraordinary circumstances, counsel shall consult in advance with opposing counsel and proposed deponents in an effort to schedule depositions at mutually convenient times and places. Unless leave of court or agreement of counsel is first obtained, at least five (5) calendar days' notice of any deposition shall be given.

4. **Conduct.**

a. Objections. Objections shall be concise and shall not suggest answers to or otherwise coach the deponent. Argumentative interruptions will not be permitted. The only objections that should be asserted are those involving privilege or work product protection or some matter that may be remedied if presented at the time, such as an objection to the form of the question or the responsiveness of the answer. Other objections shall be avoided unless the deposition is being taken for the express purpose of preserving testimony.

b. Directions not to answer. Counsel shall not direct or request that a deponent not answer a question, unless (1) counsel has objected to the question on the ground that the answer is protected by privilege, qualified privilege, work product immunity, or a limitation on evidence directed by the court; or (2) the direction not to answer is necessary to allow a party or deponent to present a K.S.A. 60-230(d) motion to the Court; or (3) counsel has a good faith belief the subject matter qualifies for a Protective Order and intends to promptly seek such an order. When a witness is instructed not to answer, the witness is nevertheless required to answer questions relevant to the existence, extent, or waiver of the privilege/immunity or other protection, such as the date of a communication, who made it, to whom it has been disclosed, and its general subject matter.

c. Consultation with attorney. Conferences between deponents and their attorneys during the taking of the deposition are improper except for the purpose of determining whether a privilege or work product immunity should be asserted. Unless prohibited by the court for good cause shown, conferences may be held during recesses and adjournments. Normally, a recess is inappropriate while a question is pending.

On the day of trial of any Chapter 61 case or any Chapter 60 case which has not been pre-tried, the attorneys or any party not represented by an attorney shall prepare, sign, and file a "Pretrial Statement" with the Judge to whom the case has been assigned. The "Pretrial Statement" shall be submitted on a form approved by the said Judge.

Rule 208: DISCOVERY

a. Discovery Conferences: To expedite disposition of litigation, minimize expense and conserve time, the Court in each action shall conduct one or more discovery conferences with counsel. At the first discovery conference, the Court shall require the parties to identify, so far as possible, the issues and names of witnesses. The Court shall then set separate deadlines for listing of any additional witnesses (including expert witnesses), taking of depositions and completion of other discovery and may enter such other orders as are appropriate including the setting of pre-trial and trial dates.

b. Time for Giving Notice of Deposition: "Reasonable time" within which notice must be given before taking of a deposition under K.S.A. 60-230(a) shall be five days, subject, however, to an order of the Court for cause shown, enlarging or shortening the time. Computation of time shall be as provided in K.S.A. 60-206(a). Attorneys are encouraged to contact opposing counsel for a mutually convenient time for the taking of depositions, before unilaterally setting same.

c. Local Counsel: Local counsel shall be required to appear at the taking of depositions, unless excused by prior order of the Court, where it appears that counsel's presence will not be necessary

d. Requirement of a Writing: All objections to interrogatories, depositions, requests or applications under K.S.A. 60-226 through 60-237, as well as all motions thereto concerning discovery matters, shall be in writing and forwarded to the requesting party. If time does not permit the filing of a written motion, the Court may, in its discretion, waive this requirement; (e.g., disputes arising during the taking of depositions), in which event attorneys are encouraged to call the assigned judge for a ruling thereon.

e. Motions for Orders Compelling Discovery: Unless otherwise ordered, the Court will not entertain any such motion unless counsel for the moving party has conferred or has made reasonable effort to confer with opposing counsel concerning the matter in dispute prior to the filing of the motion. Counsel for the moving party shall file a certificate of compliance with this rule with any motion filed under K.S.A. 60-237.

f. Motions for Protective Orders: The filing of a motion for a protective order pursuant to K.S.A. 60-226 or K.S.A. 60-230 shall stay the discovery at which the motion is directed pending order of the court. The filing of a motion to quash or modify a deposition subpoena shall stay the deposition at which the motion is directed. No properly noticed deposition shall be automatically stayed under this rule unless the motion directed at it

shall have been filed and served upon counsel or parties by delivering a copy within 11 days after service of the deposition notice, and at least 48 hours prior to the noticed time of the deposition. Pending resolution of any motion, which stays a deposition under this rule, neither the objecting party, witness, nor any attorney shall be required to appear at the deposition to which the motion is directed until the motion has been ruled upon or otherwise resolved.

Rule 209: PRE-TRIAL CONFERENCE

a. Pre-Trial Conference: A date for a pre-trial conference shall be set at a discovery conference in cases designated for jury trial. A date for a pre-trial conference may be set at request of counsel or upon the Court's own motion at a discovery conference in cases designated for bench trials.

b. Pre-Trial Questionnaire: At least one (1) week before the pre-trial conference, counsel for each party shall complete a pre-trial questionnaire and mail a copy thereof to the Judge to whom the case is assigned and to all other counsel and pro se litigants. The originals of the pre-trial questionnaire shall be filed with the Clerk of the District Court only if the parties fail to file an agreed Pre-Trial Order before the holding of a formal conference. A suggested form for the pre-trial questionnaire is attached to this rule. Its use is recommended to the bar.

c. Preparation of Pre-Trial Conference Order: All pre-trial orders shall be prepared by the attorney designated by the judge presiding at the pre-trial conference and shall be filed within the time specified by the Court. A suggested form for the pre-trial order is attached to this rule. Its use is recommended to the bar.

d. Full Use of Discovery Encouraged: Attorneys and pro se litigants are encouraged to make full use of all appropriate discovery procedures as provided in K.S.A. 60-226 through 60-237.

e. Presence of Trial Counsel Required: The attorney who will actually conduct the trial shall appear at and conduct the pre-trial conference. If good cause is shown why the actual trial attorney cannot appear, the Court may proceed if the appearing attorneys are familiar with the matter so that a meaningful pre-trial may be conducted. Local counsel shall also be present.

f. Procedure: In conducting the pre-trial conference, the Court will follow Kansas Supreme Court Rule No. 140.

g. Agreed-To Pre-Trial Order Docket: Any case in which it is likely the attorneys can agree upon a pre-trial order, the case shall be set on the court's agreed-to pre-trial docket before the Judge to whom the case is assigned at such date and time as said Judge shall

determine at which time the attorneys for each side shall appear to obtain the Court's review and approval of said order and a trial setting.

h. Failure to Present Agreed-To Pre-Trial Order: In the event counsel fails to present an agreed-to pre-trial order at the designated time, counsel shall be prepared to conduct a formal pre-trial conference forthwith, or as soon thereafter as the Court shall determine.

i. Medical Malpractice Settlement Conference: In medical malpractice cases, as part of the pre-trial conference or as part of the agreed-to pre-trial order, the court shall designate the person before whom said conference will be conducted and shall provide for the scheduling of said conference not less than forty-five (45) days before trial.

Rule 210: INTERVIEWING EXPERTS

- a. Physician:** Lawyers have a right to interview a treating physician once the physician-patient privilege is waived by the filing of a lawsuit, provided the physician is supplied with a written consent waiving the privilege by the person holding the privilege or by order of the Court. A treating physician may be interviewed outside the presence of parties or other counsel provided the treating physician consents to the interview.
- b. Experts other than treating physicians:** Lawyers may not interview any opposing expert witness who has been retained or specially employed by another party in anticipation of litigation or preparation for trial, without either consent of counsel or order of the Court.

Rule 211: MEDICAL MALPRACTICE SCREENING PANEL

Any party filing a request for medical malpractice screening panel shall file with the request:

- a.** A short statement explaining the basic medical failures alleged and the nature of the alleged injury. (That defendant was negligent or deviated from care generally is not sufficient. There must be some identification of the claimed injury and some brief statement of the suspected departures from standard practice.) This statement shall not be binding or limit the plaintiff from other allegations which become known thereafter.
- b.** An Order signed by counsel and ready for the Court's signature authorizing the release of medical records and X-rays, etc. to counsel for all named defendants. (The names of counsel need not be specified, as they will be unknown at that time.)
- c.** A list of all health care providers who have rendered treatment to the plaintiff within the preceding five (5) years, including all hospitals where plaintiff received any treatment. To the extent possible, full names and addresses shall be provided.

- d.** The above list shall include the plaintiff's date of birth.
- e.** Along with the Notice convening the screening panel, the Court shall provide to the parties copies of all additional documents required to be filed by these rules, including a certified copy of the Order for production of medical records, and a Notice of a status conference.
- f.** The Court shall hold a status conference in all screening panel cases. Counsel for the parties and the Chairperson shall appear and a schedule shall be established for the submission of records, contentions and the preliminary conference of the panel.
- g.** Except by agreement of all parties, no affidavits from the parties, nor any "expert opinions," nor depositions taken in the case shall be submitted.
- h.** The Chairperson shall provide a file stamped copy of the opinion of the panel to counsel for all parties and the Commissioner of Insurance as administrator of the Health Care Stabilization Fund.

Rule 212: CIVIL POST-TRIAL MOTIONS

All post-trial motions in civil cases will be heard at a time and date set by the Judge who tried the case.

Rule 213: VOLUNTARY SETTLEMENT CONFERENCES EXCEPT MEDICAL MALPRACTICE

At any time upon request by a litigant in any civil case, the Chief Judge may assign such civil case to an attorney or panel of attorneys, for the purpose of undertaking a settlement conference with the litigants and counsel. The time and place for such a settlement conference shall be scheduled by the Judge, at the convenience of the parties and the person or persons conducting the settlement conference. Participation in a settlement conference is voluntary.

The purpose of the settlement conference is to permit an informal discussion among the attorneys, the parties and the person or persons conducting the conference, of every aspect of the lawsuit bearing on its settlement value, thus permitting the person or persons conducting the settlement conference to privately express his view concerning the actual dollar settlement value or other reasonable disposition of the case.

In advance of the hearing, the parties are encouraged to submit to the person or persons conducting the settlement conference a settlement conference statement, which details the factual and legal issues and the relief requested. The statement may include such documentation as expert witness reports. The statement shall be shared with opposing counsel, but is not to be filed as a part of the record in the case. Use of exhibits and demonstrative evidence at the conference is also authorized.

Neither the settlement conference statements nor communications during the settlement conference, with the person or persons conducting the settlement conference, can be used by any party, in the trial of the case. The person conducting the settlement conference will not communicate to the trial judge the confidences of the conference, except to advise as to whether or not the case has been settled.

The costs of a settlement conference, including reasonable fees, shall be assessed to the litigants, as determined by the Chief Judge.

The settlement conference shall be attended by the attorney in charge of the case and by the parties or by persons who are authorized to make settlement of a case.

Rule 214: LIMITATION ON FREQUENCY OF GARNISHMENTS

Except as provided in this rule, no more than two garnishments shall be issued out of this court applicable to the same claim or claims and against the same judgment debtor in any thirty (30) day period. For the purpose of this rule, each named garnishee shall be considered a separate garnishment.

A judge of this court may order an exception to this rule in any case in which the party seeking the garnishment shall in person or by attorney certify in writing; (a) that the garnishment is not for the purpose of harassment of the debtor, and (b) state facts demonstrating to the satisfaction of the judge that there is reason to believe that the garnishee has property or credits of the debtor which are not exempt from execution.

Rule 215: EMINENT DOMAIN

In all eminent domain proceedings, the attorney for the condemnor shall, within ten days following payment of the appraisers' award, file a Motion for Distribution of the Appraisers' Award. Prior to filing such motion, condemnor's attorney shall examine the title evidence based upon which the parties were named. Said attorney shall exercise reasonable diligence to ascertain the addresses of parties at interest and shall give notice of said motion to all parties or their respective counsel not less than five days prior to the hearing of said motion.

In every case in which the fee title to an entire parcel is acquired or in which a permanent easement to an entire parcel is acquired, the said attorney shall serve a copy of such motion on the County Counselor so that such counselor may appear on behalf of the County Treasurer to protect the interest of the county as provided by K.S.A. 79-1804.

With respect to any tract or parcel in which a landowner's attorney has substantially complied herewith, the condemnor's attorney need not do so.

Under no circumstances will the clerk disburse funds in any eminent domain proceeding absent the order of the Court.

Rule 303: COMPENSATED SURETY RULES AND PROCEDURES - As Amended 09/27/2024

A. Authorization to Issue Appearance Bonds. Except as otherwise provided by law, no compensated surety shall be authorized to act as a surety in this Court until having fully complied with Kansas law, including K.S.A. 22-2806 through 22-2809b, and the rules of this Court, including this Local Rule relating to the justification and approval of sureties, and the issuance of appearance bonds. Persons who are not a compensated surety may act as sureties in this Court on a case by case basis without complying with section C if a judge of this Court approves.

B. Definitions. As used in this Rule, the terms shall have the following meanings:

“Appearance bond” means a bond certificate issued by a surety which guarantees the appearance of a defendant in the Eighteenth Judicial District at the time specified on the bond and at all subsequent court appearances. In the event of failure to appear at any time specified by the Court, the surety guarantees payment of the amount on the bond.

“Appearance bond premium” means the fee collected by a compensated surety (or one of its bail agents) for posting an appearance bond.

“Applicant” means any person applying for approval or having been approved to issue appearance bonds under this rule, or any previous version of this rule, as a compensated surety.

“Bail Agent” means a person authorized by a compensated surety to execute surety bail bonds on such surety’s behalf. In the 18th judicial district Bail Agents shall have the same continuing education requirements as Compensated Sureties.

“Bail Enforcement Agent” means a person not performing the duties of a law enforcement officer who tracks down, captures and surrenders to the custody of a court a fugitive who has violated a surety or bail bond agreement, commonly referred to as a bounty hunter.

“Bond related work,” as used in 2024 K.S.A. 22-2809b or elsewhere in these rules, means:

1) Engaging in the process of bonding someone out of or returning someone to custody (i.e. signing or filling out paperwork in the jail, attaching or removing EMD equipment as part of a release from or return to jail, or any other actions within the jail attendant to bonding someone out or returning someone to custody);

2) Personally handling matters in court on bond matters (i.e. signing or filling out paperwork to be filed with the Court, making any statements in Court upon which reliance is needed by others to approve, effectuate, modify, or rescind a bond, or appearing to inform responses to motions for forfeiture on bond); or

3) Apprehension of a fugitive.

“Chief Judge” means the Chief Judge of the Eighteenth Judicial District or other Judge of the District Court designated by the Chief Judge of the Eighteenth Judicial District to act on his or her behalf. The Chief Judge may also designate the Clerk of the District Court or the District Court Administrator to perform clerical or administrative duties outlined in this Rule.

“Compensated Surety” means any person who or entity that is organized under the laws of the state of Kansas that, as surety, issues appearance bonds for compensation, is responsible for any forfeiture and is liable for appearance bonds written by such person’s or entity’s authorized agents. A compensated surety is either an insurance agent surety, a property surety, or a bail agent.

“Insurance Company” means any company authorized by the Kansas State Insurance Commissioner to write surety bonds or Appearance Bonds. “Insurance Agent Surety” means a compensated surety licensed by the insurance commissioner to issue surety bonds or appearance bonds in this state and who represents an authorized insurance company. An insurance agent surety may have other insurance agent sureties working with or for such surety.

“Insurance Department” means the Kansas Insurance Department.

“Property Surety” means a compensated surety who secures appearance bonds by property pledged as security. A property surety may be a person or entity, and may authorize bail agents to act on behalf of the property surety in writing appearance bonds. In the 18th Judicial District the only property that can be pledged to secure appearance bonds is a valid, current and enforceable irrevocable two year Letter of Credit starting July 1st in the year of the application in an amount not less than one hundred thousand dollars (\$100,000) issued to the District Court, Eighteenth Judicial District, by a state or national banking institution authorized to and doing business in the State of Kansas, guaranteeing payment of any forfeited appearance bonds posted by the Property Surety or his/her Bail Agent(s) on which judgment has been granted. Any supplemental Letter of Credit shall meet all requirements of this Rule and shall not expire until the next June 30th. All such letters of credit must be reviewed by the District Attorney and approved by the Chief Judge. Letters of Credit shall be retained by the Clerk of the District Court, following approval of the application. No other property is acceptable to be pledged from a property surety.

“Surety” means a person or compensated surety, other than a defendant in a criminal proceeding, that guarantees the appearance of a defendant in a criminal proceeding, by executing an appearance bond.

“Unsatisfied Appearance Bond Forfeitures” shall mean appearance bonds, which after thirty (30) days from the granting of judgment on the motion for the same have not been paid into the court or the defendant has not been recommitted into custody by the surety or his or her bail agent.

C. Criteria for Authorization to Act as Compensated Surety in the Eighteenth Judicial District.

Every compensated surety shall submit an application to the chief judge of the judicial district, or the chief judge's designee, in each judicial district where such surety seeks to act as a surety.

A compensated surety shall not act as a surety in such judicial district prior to approval of such application. The application must be filed with the Clerk of the District Court of the 18th Judicial District.

1. The application shall include the following information for each insurance agent surety, property surety or bail agent:

A. A copy of the applicant's valid Kansas driver's license or nondriver's identification card;

B. A statement, made under penalty of perjury, that the applicant is a resident of this state and is not prohibited by K.S.A. 22-2809a(c), and amendments thereto, from acting as a surety;

C. A certificate of continuing education compliance in accordance with Kansas law;

D. An attestation the applicant:

i. has never been convicted of a felony in Kansas or any other jurisdiction nor has any such charges pending,

ii. has not in the preceding ten (10) years been convicted of any misdemeanor involving violence, dishonesty, deceit or moral turpitude, including violations of protective orders or Chapter 55 offenses (or comparable statutes/ordinances in other jurisdictions), nor has any such charges pending,

iii. is qualified to act as a surety or bail agent under Kansas law, and

iv. has read this rule and the Kansas statutes governing appearance bonds in their entirety and agrees to comply with any applicable rules or laws.

E. A signed release from the applicant allowing the Court, or its designee, to conduct a state and national criminal history records investigation on the applicant, consistent with K.S.A. 22-2809b(b)(4). Applicants shall present themselves to the Sedgwick County Sheriff's Office to provide fingerprints for submission to the Kansas Bureau of Investigation and pay any fees associated with this process.

F. A completed application, including the Authorization for Release of Records, a copy of a valid driver's license or photo ID, and a statement of the maximum monetary limit authorized on any individual appearance bond.

G. In addition to the other requirements of this section, bonding agents seeking to transfer from one surety to another must provide a report to the Court of all their pending appearance bonds to document which bonds will remain with the current surety and which bonds, if any, to

which the proposed new surety will be obligated. This report must also be reviewed and confirmed by the current and prospective sureties prior to its submission to the Court.

H. Any other information as may be requested by the Chief Judge regarding the applicant concerning his/her ability or qualifications to issue appearance bonds.

2. The application for each insurance agent surety also shall include:

A. A copy of the qualifying power of attorney certificates issued to such surety by any insurance company;

B. a current and valid certificate of license from the insurance department; and

C. a current and valid certificate of authority from the insurance department.

3. The application for each property surety also shall include:

A. A list of all bail agents authorized by such property surety to write appearance bonds on such property surety's behalf and all documentation from such bail agents demonstrating compliance with this rule.

B. An affidavit describing the property by which such property surety proposes to justify its obligations and the encumbrances thereon, and all such surety's other liabilities. The description shall include a valuation of the property described therein. If the valuation is not readily evident, an appraisal of the property may be required and, if required, shall be incorporated into the affidavit.

C. Any letter(s) of credit the surety proposed to use as security for appearance bonds. A property surety shall immediately report any expiration, renewal, cancellation, suspension, or revocation of the same to the Clerk of the Court.

4. A property surety authorized to act as a surety in the 18th Judicial District shall be allowed outstanding appearance bonds not to exceed an aggregate amount which is 15 times the valuation of the property pledged by the property surety. Such property surety shall not write any single appearance bond that exceeds 35% of the total valuation of the property pledged by the property surety.

D. Disqualification (new applications, renewals, and transfers of surety).

Applicants (including renewal and surety transfer applications) shall not be approved to issue appearance bonds if:

1. The applicant or any authorized agent thereto has been convicted of any felony or within the preceding 10 years has been convicted of any misdemeanor involving violence, dishonesty, deceit or moral turpitude, including violations of protective orders or Chapter 55 offenses (or comparable statutes/ordinances in other jurisdictions), or has any such charges pending.

2. The applicant is not a citizen of the United States.

3. The applicant does not have valid, federal or state photo identification.
4. The applicant has failed to meet financial responsibilities to this or any other Court; or has any pending matters before the Court in which the applicant or any authorized agent has failed to appear as directed. This may be evidenced by a failure to pay a judgment on a bond forfeiture or by any other legal action to collect past due amounts or other commonly accepted indications.
5. The appearance bonds outstanding by a Property Surety and/or his or her Bail Agents exceed an aggregate amount which is fifteen (15) times the amount of the letter(s) of credit issued to the Court.
6. The applicant or authorized agent thereto has provided a false statement in any information submitted to the Court.
7. The applicant has outstanding warrant(s) issued for his or her arrest.
8. The applicant allows an unauthorized person to write an appearance bond(s).
9. A bonding agent seeking to transfer from one surety to another fails to fully and accurately account for all pending appearance bonds in report to the Court.
10. Good cause exists for the Chief Judge to determine that it is not in the best interest of the Court and/or the community to permit the applicant to write appearance bonds in the Eighteenth Judicial District.

E. Suspension or Termination of Bonding Privileges.

1. Bonding privileges shall be subject to suspension or termination if:

a) a Compensated Surety or Authorized Agent fails to comply with the requirements of K.S.A. 22-2809b(d) to:

(i) charge the minimum 10% premium fee,

(ii) only post bond after receipt of ½ of the required minimum appearance bond premium, and

(iii) enter into a payment financing agreement for any unpaid minimum appearance bond premium amount within a reasonable period of time. Failure to fully collect any unpaid minimum appearance bond premium amount on a bond of \$100,000 or less within 12 months shall be presumptively unreasonable.

b) Any violation reason set forth in K.S.A. 22-2809b(f)(2)(A).

c) An Insurance Agent allows an appearance bond to be submitted to the Court which does not contain an individual, numbered, power of attorney properly executed, or which exceeds his/her certificate of authority.

d) The appearance bonds outstanding by a Property Surety or his or her Authorized Bail Agents exceed an aggregate amount which is fifteen (15) times the amount of the letter(s) of credit issued to the Court.

e) A Property Surety fails to immediately report to the Clerk of the Court any expiration, renewal, cancellation, suspension, or revocation of letters of credit previously reported as security for its bond obligations.

f) The surety or any authorized agent employs a Bail Enforcement Agent who is not qualified to act as such under the provisions of K.S.A. 22-2809a.

g) The authorized agent has outstanding warrant(s) issued for his or her arrest for any crime, is charged with any felony, or is charged with any misdemeanor involving violence, dishonesty, deceit or moral turpitude, including violations of protective orders or Chapter 55 offenses (or comparable statutes/ordinances in other jurisdictions). [The term of any suspension under this subsection shall be at least as long as the warrant or relevant case is pending disposition and may result in indefinite suspension or termination of bonding privileges at the discretion of the Chief Judge, based on the circumstances of the warrant/case.]

h) The authorized agent failed to timely file a renewal application by June 1.

i) The authorized agent allows an unauthorized person to write an appearance bond(s).

j) The authorized agent has provided a false statement in any information submitted to the Court.

k) The authorized agent allows or attributes monies collected from an individual to be applied to satisfy bonds on more than one case, as cases are identified by law enforcement case number or related court case number.

l) Good cause exists for the Chief Judge to determine that it is not in the best interest of the Court and/or the community to permit the surety or authorized agent to write appearance bonds in the Eighteenth Judicial District.

2. Written notice of suspension or termination of bonding privileges, except for a suspension due to failure to pay a judgment within 30 days of it being granted, shall be given to the surety or bail agent. Such notice of suspension or termination shall state the reason for the suspension or termination and be mailed by regular mail to the address on file with the Court as provided in the most current application. Any suspension or termination under this Rule shall be effective upon signature of the written notice by the Chief Judge.

3. If the suspension or termination is for failure to pay a judgment within 30 days of it being granted, the suspension shall be effective on the 31st day following judgment without any further action or notice by the Court. The surety may request a hearing before the Chief Judge within 14 days of the date of suspension or termination or the notice of suspension or termination. If such request is made, the suspension or termination of bonding privileges may be stayed by the Chief Judge pending such hearing which shall be held within 14 days of the request for hearing.

4. If a compensated surety's bonding privileges are suspended or terminated for violations of subsections E.1(c), (d), or (e) of this rule, any fellow compensated suret(ies) or bail agents authorized to write appearance bonds secured by the suspended/terminated surety's insurance policy or property shall also have their bonding privileges suspended, unless or until he or she secures or forms a new surety authorized to work as compensated sureties or bail agents in the 18th Judicial District.

F. Persons Authorized to Write Appearance Bonds in the 18th Judicial District.

1. As part of the approval process, the applicant shall submit the name(s) and requested information for all proposed Bail Agents of the applicant. Only those persons so approved are authorized to act as Bail Agents to write appearance bonds under that applicant. If, following approval, the applicant wants to add additional Bail Agents, the applicant must complete and submit a supplemental application that meets the requirements of this Rule to the Chief Judge and file it with the Clerk of the District Court. The bail agent will not be allowed to write appearance bonds unless and until approved to do so by the Chief Judge or designee.

2. In addition, when Bail Agents are no longer authorized to write bonds or are no longer employed by the Surety, the surety shall notify the Chief Judge, in writing, within three (3) business days, that said person is no longer authorized by the surety to write appearance bonds, or serve as their bail agent and the notice shall be filed with the Clerk of the District Court. The Surety will remain responsible for any appearance bonds written by the Bail Agent until the notice required is received by the Chief Judge.

3. The Sheriff of Sedgwick County shall provide all approved Compensated Sureties equality in exposure. The Chief Judge shall periodically furnish the Clerk of the District Court and the Sheriff a list of approved Compensated Sureties.

4. Nothing in this Rule shall negate K.S.A. 22-2806 which provides that an appearance bond may be approved and accepted by the Sheriff of Sedgwick County, according to law.

G. Bonds Posted Outside of the 18th Judicial District

1. Bail agents authorized to post appearance bonds in any district court outside the 18th Judicial District that do not appear on the list of authorized agents for this district may post an appearance bond on an 18th Judicial District Court case, subject to the following:

a. The bail agent posts bonds for less than four (4) individuals during an annual bonding privileges period;

b. The bail agent timely completes and returns the "Affidavit of Compensated Surety/Bail Agent for Appearance Bond" form for each bond written;

c. The bail agent is authorized and in good standing in the jurisdiction where the appearance bond is posted; and

d. The bail agent is not currently suspended or disqualified from writing bonds in this district.

2. A bail agent who posts appearance bonds for four (4) or more individuals in an annual bonding privileges period is deemed to be operating as a bail agent for the 18th Judicial District, and within 45 business days shall submit an application for authorization as detailed under this Rule.

3. A bail agent who fails to comply with the provisions of this section shall be subject to suspension of authorization to post appearance bonds on 18th Judicial District Court cases, return of the bonded defendant to custody, and reporting to the Chief Judge in the district where the appearance bond was posted.

4. Bail agents writing bonds outside of Sedgwick County who do not appear on the list of authorized bail agents for the 18th Judicial District will be sent the “Affidavit of Compensated Surety/Bail Agent for Appearance Bond” form to be completed for each bond written. Such form may also be found on the District Court’s website.

5. Appearance bonds written outside Sedgwick County by agents authorized to write bonds in the 18th Judicial District Court are required to appear in first appearance court as if the bond was written inside Sedgwick County.

H. Failure to Appear.

1. An appearance bond issued by a Compensated Surety authorized to transact business in the State of Kansas and in the Eighteenth Judicial District guarantees the appearance of such person in Court at the time specified on the appearance bond and at all subsequent court appearances unless and until the Compensated Surety is released on the appearance bond.

2. If an appearance bond is posted on a charge for which a disposition has not yet been entered, the appearance bond remains in effect until such time as the defendant answers the complaint and sentence or disposition is entered thereon. This would not include future court appearances for review of compliance with court orders. However, if the appearance bond is posted for a nonappearance on a post-conviction or post-diversion matter, the appearance bond remains in effect until final disposition of the matter for which the appearance bond was posted. Upon failure of the defendant to appear as ordered, the judge shall declare the appearance bond forfeited. The court may set aside the forfeiture upon such conditions as the court may impose, if it appears that justice does not require the enforcement of the forfeiture. If the forfeiture is not set aside, the Court shall request the District Attorney to prepare a Journal Entry of Bond Forfeiture of the appearance bond and file a Motion for Judgment on said bond forfeiture to be set for hearing not less than 60 days following the filing of the Motion for Judgment. It is the responsibility of the Surety to be aware of the defendant’s required court appearances on the Court’s calendar, and to see to it that the defendant appears as ordered. The Surety’s liability on the appearance bond is not conditioned upon any notice by the Court, District Attorney or any other person or entity of the defendant’s failure to appear.

I. Failure to Produce the Defendant or the Forfeited Funds. If the defendant is not surrendered or the appearance bond forfeiture paid by the end of the Court's business day on the 30th day following judgment, the Surety's bonding privileges will be suspended at that time. If the Surety is a Property Surety and he/she or one or more of his/her Bail Agents is suspended for non-payment of a judgment, the Property Surety and all of his/her Bail Agents will be suspended. Notification of the suspension of bonding privileges shall be made in writing to the Property Surety and his/her Bail Agents. The letter will be sent by regular mail to the address on file with the Court. Failure to send or receive the letter does not negate the suspension of bonding privileges under this paragraph.

J. Reinstatement of Bonding Privileges.

1. Nonpayment of a judgment. If suspended for nonpayment of a judgment, the Surety must pay all judgments for unsatisfied appearance bond forfeitures before consideration will be given for reinstatement of bonding privileges. Once payment in full is made, the following schedule will be followed:

For the first suspension within a one (1) year period, the Surety's privileges will be suspended for a period not to exceed thirty (30) days after payment. For a second or subsequent suspension within a one (1) year period, the Surety's privileges will be suspended for ninety (90) days after payment.

2. Exceeding Total Amount of Bonding Privileges. If the total aggregate amount of outstanding bonds of a bondsman and his or her agents ever exceeds the total amount permitted under this rule the Chief Judge or designee without notice may immediately suspend the bonding privileges of that surety and agents. The property surety and bail agents shall not qualify for reinstatement of bonding privileges and reinstatement shall not be considered until the total aggregate amount of outstanding bonds of that property surety and bail agents do not exceed 75% of the total bonding authority allowed under this rule. Upon a second violation of this subsection within a 12 month period, the bonding privileges shall not be reinstated until at least three (3) months have passed since the property surety qualifies for reinstatement. Upon a third or more violation of this subsection within a 12 month period, the bonding privileges shall not be reinstated until at least 12 months have passed since the property surety qualifies for reinstatement.

3. In order to qualify for reinstatement the property surety and bail agents(s) while suspended shall continue to meet all obligations under this Rule.

4. Nothing in this Rule or section obligates the Chief Judge to reinstate a suspended or terminated bail agent as soon as he or she may be eligible for reinstatement, nor does it prevent or prohibit the Chief Judge from imposing any other requirements upon a property surety before privileges are reinstated. Nothing in this rule prevents or prohibits the Chief Judge from permanently terminating a property surety's or bail agent's bonding privileges.

K. Refunds. If the judgment on the appearance bond forfeiture is paid on time, and the defendant is later surrendered by the Surety, upon request, a partial refund may be allowed as indicated below:

- 1--30 days after payment 75% refund
- 31--60 days after payment 50% refund
- 61--90 days after payment 25% refund

Said request for refunds must be made in writing and filed with the Clerk of the District Court with a copy served upon the District Attorney's Office.

No refunds will be given for surrenders that occur in excess of 90 days after payment unless specifically ordered by the Chief Judge after the filing of a proper motion. No refunds will be given unless the defendant is surrendered by the Surety or Agent of the Surety to the Sedgwick County Adult Detention Facility. If the defendant is arrested by law enforcement personnel within ninety (90) days of forfeiture, without the assistance of the Surety or Agent of the Surety, no refunds will be provided.

L. Surrender. For purposes of consideration of a refund, a defendant is considered surrendered to the Court when he or she is surrendered to the Sedgwick County Adult Detention Facility. A defendant is not considered surrendered to the Court if the defendant is incarcerated in another county or another State. Upon timely surrender, the Surety will be released from all further liability on the appearance bond.

The Surety, pursuant to K.S.A. 22-2807(3), may provide to the court, prior to judgment on the appearance bond forfeiture, a written statement, signed under penalty of perjury, setting forth the details of the incarceration of the defendant in some location within the United States. Upon receipt of such statement, the Court shall set aside the forfeiture and upon the defendant's return to the Court's jurisdiction, the Surety may be ordered to pay the costs of the return.

M. Report of Appearance Bonds

The Clerk of the District Court shall maintain and publish a list of all appearance bonds pending in the 18th Judicial District, including the bonding agent or surety responsible for the same. The report shall also include a list of appearance bond forfeitures that have been declared on cases in the 18th Judicial District where there are appearance bonds written by the Surety, any judgments granted in those cases, and the payment due date of said judgments. Failure by the Clerk of the District Court to post or update said report shall not negate the surety or bail agent's duty to comply with any provisions of this local rule.

N. Application of Rule to Compensated Sureties Already Approved to Write Appearance Bonds in the Eighteenth Judicial District; Continuation of Bonding Privileges; Time Period for Bonding Privileges. Any Compensated Surety currently approved to write appearance bonds in the Eighteenth Judicial District shall be required to comply with this rule as of September 1, 2024. The annual bonding privileges period shall be from July 1 through June 30 of the following year. In order to retain bonding privileges, a Compensated Surety must submit an application, pursuant to this order, no later than June 1 of each year to remain in good standing for the next twelve (12) month bonding period [July 1 to June 30]. Upon approval of an application the bonding privileges will be granted and will remain valid for the approved bonding period, at which time it will expire unless renewed.

A compensated surety may not submit a new application under this Rule while the compensated surety's bonding privileges are suspended or revoked.

A compensated surety may withdraw from writing bonds prior to expiration of the bonding authority granted under this rule. Any withdrawal from writing bonds prior to the expiration of the bonding authority granted under this rule is not effective until made in writing to the Chief Judge and filed with the Clerk of the District Court, and it shall not result in the early termination or withdrawal of any letter(s) of credit submitted in support of the application(s) submitted under this rule.

A compensated surety's obligations under this Rule shall continue even though the compensated surety's privileges have been suspended, revoked or withdrawn.

O. Forms

The Chief Judge or his designee shall promulgate such forms as necessary to document and assure compliance with this rule. Current forms may be found on the Court's website.

P. Ability to Sue. Nothing contained herein shall in any way limit the Court's ability to proceed with any and all proper civil remedies against any surety, insurance company, bail agent, or banking institution to collect on an appearance bond if payment is not forthcoming upon demand and for the Court to authorize all needed actions to engage in collection efforts, including the engagement of counsel and others to enforce and collect bond judgments.

RULE 401
SCOPE OF FAMILY LAW DEPARTMENT & AUTHORITY OF PRESIDING JUDGE

- a. Family Law cases shall be assigned to the Family Law Department. These shall include everything filed in K.S.A. chapter 23.
- b. Each Family Law case shall be individually assigned to an Assigned Family Law judge.
 - 1. For every new case that is filed, the Clerk of the Court will use a random process to assign that case to the Assigned Family Law judge.
 - 2. For every existing case,
 - A. If a Family Law judge leaves the department, the replacement Family Law judge will take over all of the former Family Law judge's cases.
 - B. If multiple Family Law judges simultaneously leave the department, each replacement Family Law judge will each take over all of the cases formerly assigned to one particular division. The replacement judges will decide which division to take over by seniority.
 - C. If the number of Family Law judges changes, the Presiding Family Law judge will direct the Clerk to administratively reassign existing cases so that the total workload is distributed appropriately between the Family Law judges.
 - D. The Presiding Family Law Judge or any Assigned Family Law Judge may assign a particular matter of a particular case to a substitute District Judge, from any department, due to temporary workload issues or for any other reason. Once the matter heard by the substitute District Judge has concluded, the remainder of the case will be returned to the Family Law department.
- c. If a judge leaves the Family Law department, that judge may, consistent with Local Rule 109, continue to preside over any matters, already pending, in which the judge has previously presided over substantive hearings. Once those specific matters are concluded, the remainder

of the case will be returned to the Family Law Department and assigned to the replacement judge that took over the departing judge's docket.

- d. All procedural requests such as requests to short file or to continue motions or trials shall be heard only by the assigned Family Law judge, unless that judge is unavailable. If the assigned case judge is unavailable for these inquiries, any Family Law judge may consider the request.
 - e. The Presiding Family Law judge shall administrate the distribution of cases. At any time, on their own motion or upon request of a party, any Family Law judges may reassign cases among themselves. In the event of a dispute, the Presiding Family Law judge will have the final decision regarding which Family Law judge will be assigned to a particular case.

RULE 402

TEMPORARY ORDERS FILED WITH PETITION AND STANDARD TEMPORARY ORDER

- a. In all divorce, annulment and separate maintenance cases, a Standard Temporary Order may be issued pursuant to this section and K.S.A. 23-2707. If a party requests a temporary order, the order shall be presented to a judge in the Family Law Department...Judges will be available to sign such orders each day that the Court is in session.
 - 1. If the party seeking the temporary order seeks an in-person signature, such order must be presented before the action is filed. Runners may obtain a judge's signature on standard temporary orders
 - 2. If the action is e-filed, the temporary order may be e-filed simultaneously with the rest of the action.
 - A. For purposes of determining which party is first in time to file, a case is deemed to be filed on the date and time that the clerk accepts the action for filing and assigns a case number, regardless of when a judge approves the temporary order.
 - B. If a temporary order is rejected by a judge, the filing party will have 5 (five) business days to correct the temporary order and submit for refiling without losing that party's date and time of filing.
 - C. Any disputes regarding time of filing will be resolved by the Presiding Family Law judge.
- b. For all Temporary Orders that order support payments,
 - 1. Temporary Support payments must be stated in monthly amounts, although the order may also provide that the monthly payments may be paid in more frequent installments.
 - 2. All *ex parte* temporary child support orders must be based on the Basic Parental Child Support obligations pursuant to the Kansas Child Support Guidelines, without any Section E adjustments. No temporary child support orders that are issued *ex parte* may use the Shared Expense Plan, as that plan requires agreement between the parties. The EPT formula may be used in shared residency arrangements.

- c. If there are deviations in temporary orders from the Standard Temporary Order, such deviations must be brought to the attention of the Court for the Court to specifically approve.
 - 1. For temporary orders that deviate from the standard and that seek an in-person signature, the deviation must be specifically approved prior to filing.
 - 2. For e-filed temporary orders that deviate from the standard, the filing party is responsible for noting the deviations in the document AND communicating the deviation to the judge.
 - A. Any non-standard provisions shall be conspicuously marked in the document by highlights, arrows, initial line, or other marking.
 - B. The filing party shall communicate by making a note in the “Note from Filer” section on the e-file screen, AND by contemporaneously sending an email to the assigned judge notifying the judge of the non-standard provision.
 - C. The judge can approve the non-standard provisions by using a Signature Page Note, or by responding to the attorney’s email that the non-standard provisions are approved.
- ci. Any temporary order sought under this rule which requires either party to leave the marital residence must be accompanied by a Rule 402 Affidavit stating the following:

 - 1. any special circumstance, stated with specificity, which would make temporary sole legal custody rather than temporary joint legal custody appropriate;
 - 2. which parent presently has physical custody of the child;
 - 3. The *de facto* parenting plan that is in effect currently, and for how long;
 - 4. whether either party has left the marital residence, and if so, with or without the child;
 - 5. description of each parent’s employment (full-time, part-time, or stay at home, and hours);
 - 6. whether the child has special needs for which one parent has been providing.
 - 7. In a divorce case, a temporary parenting plan cannot change the de facto residency of the child(ren) without sworn testimony to support a showing of extraordinary circumstances.
 - 8. In a paternity case, The Parentage Act under K.S.A. 23-2201 et. seq., does not authorize ex parte temporary orders regarding child support, custody or restraint. Any request for same shall be made by separate motion.

RULE 423
ALTERNATIVE DISPUTE RESOLUTION

- a. **Overview:** Alternative dispute resolution (ADR) is available to all parties. ADR includes mediation, case management, limited case management, arbitration and collaborative family law.
 - 1. Mediation, case management, or limited case management can be ordered upon motion of a party, or upon the Court's own motion, contingent on the Court finding that the parties can afford to participate. In determining whether a party can afford to participate, the

court may consider the litigious history of the case, the DRA or child support worksheet, and/or the comparative cost of litigation versus ADR.

2. Arbitration or collaborative family law can be entered into only with the approval of all parties.
 3. The Hearing Officer may enter an order for ADR in any contested issue over which the Hearing Officer has jurisdiction.
 4. The ADR program will be administered through the Dispute Resolution Coordinator. No case can be placed in any type of ADR without the Dispute Resolution Coordinator being notified.
- b. The following provisions shall all apply to mediation, case management, or limited case management.
1. The mediator, case manager or limited case manager shall be selected by agreement of both parties, or their attorneys, unless otherwise ordered by the Court. If the parties and/or their attorneys are unable to agree upon a mediator, case manager or limited case manager, the moving party shall submit three proposed names to the non-moving party within 3 business days, who shall select one from the list of three within 3 business days. If the non-moving party does not want to select any of the three, the non-moving party shall select a different 3 names and submit them to the moving party, who shall select one name from the three within 3 business days. If none of the six total names are acceptable to both parties, the Dispute Resolution Coordinator or Assigned Family Law Judge will select one name that is not contained on either list.
 2. All people who wish to be considered as a case manager, limited case manager, or mediator must provide to the ADR coordinator the total initial retainer fee, the number of hours or scope of work the initial fee will cover, and the subsequent hourly rate to be charged.
 3. A case manager, limited case manager or mediator can require payment of the initial retainer fee in advance of services rendered. The case manager, limited case manager, or mediator is not required to begin work until the initial retainer fee is paid. If the fee is not paid within 2 weeks of the initial request, and no payment plan has been agreed upon, the case manager, limited case manager, or mediator shall notify the court. Written decisions or recommendations cannot be withheld for failure of one of the parties to pay fees.
 4. In the event that the Court finds that a party has willfully failed to pay a case manager, limited case manager or mediator, the Court may impose any sanction on that party as justice and equity requires, including a prohibition on filing any motion until the outstanding balance has been paid.
- c. **Mediation:** The Court may order mediation subject to and governed by the provisions in K.S.A. § 23-3501 through 23-3506.
- d. **Case Management:** The Court can order the parties into case management following a motion of a party, or on the Court's own motion, subject to the issues, circumstances, and procedures as outlined in K.S.A. § 23-3507-3509, as well as any other issues the parties agree to submit to the case manager.
1. All Case Managers shall have the qualifications required by K.S.A. § 23-3508 (d). The Presiding Family Law Judge is responsible for approving people who wish to serve as a

Case Manager. The ADR coordinator will keep a current list of all qualified Case Managers.

2. During the case management process, communications between parties, or between a party and the case manager, are not privileged. The case manager may be required by report or testimony to disclose any or all matters from case management.
3. Once assigned, and until further order of the Court, all issues related to custody, residency or parenting time, as well as any other issues the parties agree to submit, shall be presented to the case manager in writing for recommendation before any motion on those issues may be filed. Case Management recommendations become the order of the Court subject to the provisions of K.S.A. § 23-3509.
4. Case management ends for a particular case when the case manager has terminated the assignment or when, upon motion of a party, or on the Court's own motion, the Court terminates the assignment.

e. **Limited Case Management:** Limited case management (LCM) is a Sedgwick County form of ADR that is drawn from the Court's statutory authority to order mediation (K.S.A. 23-3502) and investigation, (K.S.A. 23-3210).

1. The Court will designate specific issues to the limited case manager. The limited case manager shall only address issues contained within the corresponding order. The costs of LCM may be assigned to either party by the Court, in any manner that the Court decides. If the Court does not make a cost division designation, the costs will be split 50/50.
2. All Limited Case Managers shall have the same qualifications required by Case Management as stated in K.S.A. § 23-3508 (d). The Presiding Family Law Judge is responsible for approving people who wish to serve as a Limited Case Manager. The ADR coordinator will keep a current list of all qualified Limited Case Managers.
3. The Limited Case Management process begins when Order for Limited Case Management is executed by the ADR Coordinator. At the time Limited Case Management is ordered, an approximately 60 day review hearing shall be set with the Assigned Family Law judge.
4. At the 60 day review hearing, the judge will address:
 - A. If there is an agreement, whether the agreement should be adopted and whether that addresses all outstanding issues in front of the court.
 - B. If there is not an agreement,
 - i. Whether to adopt any temporary orders per K.S.A. § 23-3212(a), and
 - ii. When to set the matter for Pre-Trial Conference on the issues raised in the original motion that led to the LCM referral.
5. The assignment to limited case management ends when:
 - A. a written agreement has been approved by the parties and the court, or
 - B. when the case manager files recommendations as to the issues specified in the Order for Limited Case Management, or
 - C. The Court may at any time, upon motion of a party, or on the Court's own motion, terminate all or part of the assignment.
6. The LCM shall avoid *ex parte* communications with attorneys in the case.
 - A. Either party's counsel or pro se litigant may contact the limited case manager while the LCM process is pending, but they must copy the other attorney (or pro se litigant if unrepresented) or include them in the communication on any substantive issue.

- B. A limited case manager shall not communicate with one attorney or pro se litigant without including the other attorney (or pro se litigant if unrepresented) in the communication on any substantive issue.
- C. If either party submits documents to the limited case manager, they must also provide them to the other party. If documents are provided by one party's attorney, they shall also be provided to the other party, or if represented, to their counsel.
- 7. The first step in the LCM process is mediation.
 - A. The initial retainer fee must cover the cost of a minimum eight (8) total hours of LCM.
 - B. Any mediation agreement reached between the parties shall be reduced to writing and delivered to the ADR coordinator, who shall deliver it to the Court for approval. Agreements reached in LCM should comply with the provisions of K.S.A. §23-3503(c).
 - C. In the event the LCM process moves to the investigation step, the court will order that information revealed during the mediation step is to be used in the investigation, and such information will not be protected by confidentiality, per K.S.A. § 23-3505(b)(4).
 - D. The mediation step of LCM ends when all issues are either agreed or at impasse.
- 8. In the event of impasse, the case shall proceed to the second step of LCM, which is investigation.
 - A. The Limited Case Manager shall assume the role of independent investigator as contemplated by K.S.A. § 23-3210(a).
 - B. The Limited Case Manager shall provide an opportunity for each side to submit names of witnesses and exhibits for the Limited Case Manager to investigate. Upon request, the Limited Case Manager may advise the parties as to the expected cost of reviewing the submitted information and interviewing witnesses.
 - C. After the investigation is complete, the Limited Case Manager shall write a Report and Recommendation, and shall submit the same to the ADR coordinator. Thereafter, the Report and Recommendation may be distributed as contemplated by K.S.A. § 23-3210(c).
 - D. An LCM Report and Recommendation shall not be made part of the Court file and shall not be attached to any Motions. Court orders adopting an LCM Recommendation may contain the recommendations but not the full report.
 - E. If legal custody, residency, or parenting time are at issue, the LCM Report and Recommendation shall specifically address all statutory factors in K.S.A. § 23-3203. The Dispute Resolution Coordinator will keep an electronic list of the updated factors that the Limited Case Managers may request and use to copy and paste in their reports.
 - F. If the matter proceeds to trial, the LCM Report and Recommendation is admissible without further foundation, per K.S.A. § 23-3210. The Report and Recommendation is given no presumptive weight, and the facts and conclusions therein will be evaluated by the fact-finder in the same manner as all other evidence.
 - G. Neither party is required to call the Limited Case Manager to testify, however either party is permitted to call the Limited Case Manager. In the event that the Limited Case Manager is called to testify, the party requesting such testimony shall pay the previous LCM hourly rate, or any other agreed upon rate, for reasonable preparation and testimony time. The Court will make judicious use of the Limited Case

Manager's time, including taking the Limited Case Manager out-of-order, unless good cause justifies not doing so.

H. At trial, the burden of proof remains the same as before the case was assigned to LCM, regardless of the recommendation, and no recommendation will have the effect of shifting the burden of proof.

I. A party who is challenging the LCM recommendation may use leading questions during the examination of the limited case manager on direct examination.

f. **Arbitration**: The parties may agree to arbitrate any contested issues. Arbitration should be conducted as agreed to by the parties in a written agreement, and consistent with the provisions of K.S.A. 5-201, *et seq.*

1. No motion for arbitration need be filed with the Court. However, an agreement to arbitrate does not stay any other deadlines, and any continuance of a Court ordered appearance or deadline must be approved by the Court.
2. Upon completion of arbitration, the parties shall journalize and file with the Court any orders necessary to implement the arbitrator's decision within 14 days.
3. The arbitrator's decision takes effect as soon as it is disclosed to the parties.
4. Arbitration ends when an arbitrator's decision has been journalized. Arbitration can be stayed, or an arbitrator's decision vacated or modified, only in a manner consistent with K.S.A. 5-201, *et seq.*

g. **Collaborative Family Law**: Parties may agree to handle their case in a Collaborative Family Law (hereinafter referred to as "CFL") format. CFL is a process by which parties negotiate a settlement of all issues in their case outside the court system. Consistent with the provisions of K.S.A. 23-606, including the exceptions described therein, a party who agrees to participate in the CFL process has a privilege to refuse to disclose, and to prevent a witness from disclosing, any communication made during the course of these negotiations. Essentially, the process provides that the parties and counsel focus on the interests of both parties, gather information sufficient to insure that decisions are made with full knowledge, create a full range of options, and then choose options that best meet the needs of the parties. The process is one which, along with the skill of counsel, is designed to create a problem-solving atmosphere.

The CFL process works best if both parties are represented by counsel trained in CFL. The parties and counsel enter into a Participation Agreement which sets forth the CFL process which the parties shall follow, requires full and complete disclosure of all financial information by both parties, and precludes both attorneys from representing their clients in subsequent proceedings in the event the negotiations reach an impasse, or in the event either party elects to withdraw from the CFL process. The CFL process can take place either before or after the case has been filed.

Inasmuch as CFL can be entered into only with the approval of all parties, no motion for CFL need be filed with the Court. However, a written agreement to handle a case through the CFL process does not stay any other deadlines, and any continuance of a Court-ordered appearance or deadline must be approved by the Court.

If one or both parties contemplate that their case will be handled in a CFL format, then either or both parties may file a Petition for Divorce and issue a Temporary Order which shall be issued at the time of filing of the Petition. Temporary Orders issued in cases in which one or both parties contemplate that their case will be handled in a CFL format shall follow the form set forth below:

Media Coverage of Judicial Proceedings

Rule 1001: Preface

The increasing use of various electronic devices including phones, tablets, and other wireless communication devices continually challenges a court's legitimate concerns for courtroom security, participant distraction, and decorum.

These electronic devices are redefining the news media, the informational product disseminated, and the timeliness of the content. They also result in new expectations for the court and participants for immediate access to information.

Policies developed to address the court's concerns should include enough flexibility to take into consideration that electronic devices have become a necessary tool for court observers, journalists, and participants and continue to rapidly change and evolve. The courts should champion the enhanced access and the transparency made possible by use of these devices while protecting the integrity of proceedings within the courtroom.

Rule 1001: Permissible Use of Electronic Device

- A. During a judicial proceeding a person may possess - but not use - any of the following electronic devices unless the possession is prohibited by the presiding judge or justice:
 - a. A cell phone,
 - b. A laptop or tablet computer, with or without video or audio capabilities,
 - c. A digital or tape audio recorder,
 - d. A personal digital assistant (PDA), with or without video or audio recording capabilities, (E) A still or video camera, and
 - e. Any other electronic device that can broadcast, record, or take photographs.
- B. All cell phones must be turned off in the courtroom. During court proceedings, all electronic devices must be put away and out of sight, unless use of the devices is authorized by the presiding judge or justice under this rule. A person may use a cell phone or other electronic device in a court facility, but not in a courtroom, to make or receive phone calls, e-mails, and/or text messages only.

Rule 1001: Prohibited Use of Electronic Device.

- A. A person is prohibited from using a cell phone or any other electronic device in a court facility to:
 - a. Take pictures,
 - b. Take videos,
 - c. Make sound recordings,
 - d. Broadcast sound, and
 - e. Broadcast still or moving images (video).
- B. Violating this rule may result in the device being confiscated.

Permission Required for Exception to Rule

The presiding judge or justice may make an exception to this rule. The news and educational media and others - such as a publisher, editor, reporter, or other person employed by a newspaper, magazine, news wire service, television station, or radio station who gathers, receives, or processes information for communication to the public, or an online journal in the regular business of newsgathering and disseminating news or information to the public - must request specific permission in advance to use an electronic device to record and transmit public proceedings, including real-time coverage, in Kansas courts. If permission is granted, use of the permitted electronic device must be in accordance with the following applicable conditions and procedures and such other conditions and procedures as may be required by the presiding judge or justice.

1. The privilege to photograph, record, or provide real-time coverage of court proceedings may be exercised only by those obtaining prior permission of the court. Video, photography, audio reproductions, and other electronic communications may be used only for the purpose of education or news dissemination.

2. The judge must be given at least one week's notice of the request to bring cameras, recording equipment, or other electronic communication devices into the courtroom. The judge may waive this requirement for good cause.
3. The privilege granted by this rule does not limit or restrict the judge's power, authority, or responsibility to control the proceedings before the judge. The judge's authority to disallow possession of electronic devices at a proceeding or during the testimony of a particular witness extends to any person engaging in the privilege authorized by this rule.
4. Audio pickup and audio recording of a conference between an attorney and client, or among cocounsel, counsel and opposing counsel, or among attorneys and the judge are prohibited regardless of where conducted. Photographing such a conference is not prohibited.
5. Focusing on and/or photographing materials on counsel tables or in designated areas is prohibited.
6. An individual juror may not be photographed. In a courtroom in which photography is impossible without including the jury as part of the unavoidable background, photography is permitted as long as no close-ups identify individual jurors.
7. The trial judge must prohibit the audio recording and photographing of a participant in a court proceeding if the participant so requests and (a) the participant is a victim or witness of a crime, a police informant, an undercover agent, or a relocated witness or juvenile, or (b) the hearing is an evidentiary suppression hearing, a divorce proceeding, or a case involving trade secrets. Subject to a court directive to the contrary, the news media may record and photograph a juvenile who is being prosecuted as an adult in a criminal proceeding as authorized by K.S.A. 38-2347.
8. No video, photograph, audio reproduction, or other electronic communication of a court proceeding will affect the official court record of the proceeding for purposes of appeal or otherwise.
9. An interview for broadcast or other electronic transmission may not be recorded in a hallway immediately adjacent to a courtroom entrance if a passageway is blocked or a judicial proceeding is disturbed thereby. Photographing or other recording through a window or open door of a courtroom is prohibited. Prior to rendition of the verdict, a criminal defendant may not be photographed or otherwise recorded in restraints as the defendant is being escorted to or from a court proceeding.

10. The judge may ban cameras, audio recorders, and other electronic communications devices from the entire floor on which a proceeding is conducted.
11. The chief judge must designate a coordinator or other court personnel who will work with the chief judge, the trial judge, the media, and others making a request under this rule in district court.
12. A request to photograph, record, or provide live coverage of a court proceeding must be directed to the coordinator. When more than one television station, still photographer, or audio recorder desires to cover a court proceeding, the coordinator must designate the pool photographer and audio recorder. If there is a dispute as to the pool designation or the equipment to be used, no audio or visual equipment will be permitted at the proceeding. Requests for copies of audio recordings, video, or photographs must be directed to the pool representative, who will supply copies upon request to media representatives at a price not exceeding actual cost. Pool designations are not necessary for individuals providing text accounts via approved electronic devices.
13. The trial judge will designate the location in the courtroom for the audio, video equipment, and operators. Under the general supervision of the chief justice, the clerk of the appellate courts will supervise the location of media equipment within the Supreme Court courtroom. The presiding judge of a Court of Appeals panel will supervise the location of media equipment, and personnel using the equipment, at hearings before the Court of Appeals. Equipment and operators ordinarily should be restricted to areas open to the public. The equipment and operators, however, must not impede the view of persons seated in the public area of the courtroom. Operators must occupy only the area authorized by the judge and may not move about the courtroom for picture-taking purposes during the court proceeding.
14. Media equipment must not be placed within or removed from the courtroom except prior to commencement or after adjournment of proceedings each day, or during a recess. Such equipment must not be operated in any manner that disrupts proceedings.
15. One television camera, operated by one person, and one still photographer, using not more than two cameras, are authorized in any court proceeding. The judge may authorize additional cameras or persons at the request of the coordinator. If a still camera is not manufactured for silent operation, use of a quieting device is recommended. The court may restrict operation of cameras or electronic devices which emit distracting sounds during court proceedings.
16. Only audio, visual, or electronic communications equipment that does not produce distracting light or sound may be used to cover court proceedings. An artificial lighting device may not be used in connection with any audio or visual equipment. A

modification in the lighting of a district court facility may be made only with the approval of the chief judge. Approval of other authorities may be required.
